Dysentery, Bloody Flux, Diarrhea, and all disorders of the Bowels. disorders of the Bowels. Nothing is more injurious than the use of opiates in such disorders. The Dysentery syrup neutralizes the aeridity and chemically alters the contents of the Bowels and very gradually checks the discharges. A thousand certificates of its efficacy could be got in Middle Tennessee alone, but we prefer to give but one, from the chairman of the Board of Health, New York. New York, April 25th, 1848.

My position last year, as Chairman of the Sanitary Committee of this city, brought me constantly in contact with persons su ering from Cholera, Dysentery, &s. Facts coming under my own observation, with reference to the efficacy of your Dysentery Syrup in the diseases, have been confirmed by the testimony of my associates on the com-mittee, and particularly by Alderman De Forest, of the First Ward. So strongly was I impressed with the value of your preparation, I caused it to be sent to the Quarantine where the Choiera then existed; and it is not a little remarkable that but a single case was reported afterward TIMOTHY B. HIBBARD, M. D. Chairman Board of Health, N. Y.

The Children's Panacea is well knows to be most efficacious in all disorders of children from one to five die before they are five years old, if it were not that the Vermifuges and all the other powerful medicines adminis-tered to them were not most injurious. COUNTERFEIT! CAUTION TO PARTIES PURCHASING S. N. PIKE'S Magnolia Whisky,

CINCINNATI, OHIO. THE UNDERSIGNED, manufacturer and sole proprietor of the above brand of WHISKY, would respectfully inform his customers and pur chasers of this celebrated brand, that there has appeared in chasers of this celebrated brand, that there has appeared in the Charleston and other Southern markets a counterfeit of the above Whisky, being a poisonous imitation, branded similar to his brand; it passes under the name of S. N. Dike's Magnolia Whisky, Cincinnati, Ohio, and other names similar to S. N. Pike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and deceive those who would purchase the genuine brand. I make this statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have analyzed several samples of this counterfeit brand, and found that it contains a deadly poison; this fact alone impels me to caucontains a deadly poison; this fact alone impels me to cau-tion the public, protect those who are liable to be leceived. and prevent the evil results attending the use of this poisonous imitation. I also hereby caution the counterfeiters of my brand that I will prosecute them to the full extent of the law. The genuine S. N. Pixe's Magnolia Whisky is distilled from the best qualitities of Rye and Corn, and is warranted free from any deleterious or obnoxhas compound, it being a pure and healthy beverage.

Many parties have recently commenced making a brand of Whisky Called Magnodia, but they are an immitation of my trade brand, so be careful and get the only genuine Magnodia Whisky made in the United States, and distilled only by me.
